

Fitness Together Pembroke Pines Opening

Wendy Tarlow and Fitness Together Broward are excited to announce that the new studio location in Pembroke Pines will be opening around February 12th. She and business partner, Meaghan Vecchia, have been working hard over the past 5 months to open this 2nd location and the time has finally arrived. Meaghan will be stepping into her new role as an owner and the operating officer in Pembroke Pines. She will miss all of the clients she has had an opportunity to meet over her past 2 ½ years in Fort Lauderdale, and wishes you all the best in health.
